Early Childhood Education 1A Information:

This course prepares students for child-related careers and teaches additional parenting skills through personal interaction with children. Students will learn about various types of child-care programs, childcare policies and management, guidance techniques, health and safety concerns, and practicing writing lesson plans. Students will be required to complete a portfolio, which contains lesson plans and activities for preschool-age children. Students will also have teaching experience in a childcare facility in our community. Please remember the children in the centers you will be visiting are those of parents who live in our community, please keep all information confidential.

“Play is often talked about as if it were a relief from serious learning. But for children play is serious learning. Play is really the work of childhood.”

-Fred Rogers

WHAT TO EXPECT

Students can expect a wide variety of activities, projects, and group interaction during this class. Students need to keep up with assignments and their portfolio, as this is FAST PACED CLASS. It is important that students attend class daily.

LATE WORK

Late work will be accepted the whole semester until one week before the term ends. Late work will only be given 80% credit. Students who are absent will be responsible to find out what was assigned and will have one week from the excused absence to make up the work. All make up work will be completed on Mondays. ALL WORK MUST BE TURNED IN ONE WEEK BEFORE THE END OF THE TERM. Work WILL NOT be accepted after that date.

TESTING

There will be minimal tests in this class but students who score 75% or lower on the tests will be able to retake the test to receive half credit for the questions they missed.

HOMEWORK

Most of the assignments will be completed in class, but if a student falls behind or doesn't use their time wisely it is their responsibility to complete the work by the due date.

Assignments and due dates can be found at

<http://mrsgeorgesfacscsclass.weebly.com>. Please check on your grades often.

COURSE FEE:

There is a course fee of \$10 for this course. Please pay this fee to the Child Development Account in the office. Pay your fee for this class as soon as possible.

SUPPLIES NEEDED:

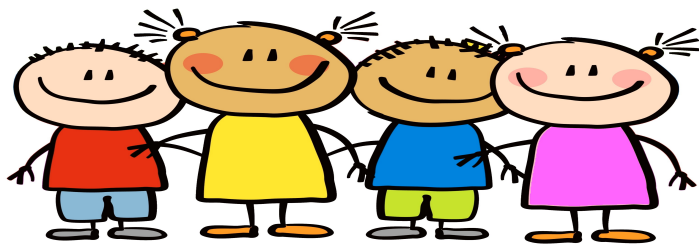

We will be creating a portfolio that contains all of your lesson plans and artifacts. I will provide most of the supplies for the portfolio but you need to provide a 3-inch - 3 ring binder, 25 sheet protectors, a folder to keep your daily assignments in, and a pen and paper daily.

CLASSROOM POLICIES

Clearfield High School policies will be followed in this classroom. These policies include the cell phone and electronic device policy, attendance & tardy policy, CHS academic code of conduct, dress code policy, and citizenship policy. These policies can be found on the Clearfield High School website if you need to review them. I don't want to see your cellphones or headphones in during class, this only distracts from your learning.

GRADES: absences will have a major effect on the student's grade. Students will be graded on assignments, projects, and assessments. It is the student's responsibility to keep current on their grade. Letter grades will be assigned using the following percentage scale:

A	100-94 %	C	76-73 %
A-	93-90 %	C-	72-70 %
B+	89-87 %	D+	69-67 %
B	86-83 %	D	66-63 %
B-	82-80 %	D-	62-60 %
C+	79-77 %	F	59-0 %

CITIZENSHIP: The Davis County School District Citizenship policy will be enforced. A student with 4 or more absences or 4 or more tardies will receive a "U". At midterm, 2 absences or 2 tardies will show a warning "U". Students with 3 unexcused absences or tardies will receive a "N". A "U" will also be given for cheating, serious negative behavior or causing problems with a substitute. Any "U" received will need to be cleared by the attendance office. Students who have 10 or more unexcused absences in a term will not receive credit.

HALL PASSES: The hall pass is for emergency use only. Only one student may be out with the hall pass at a time. Students are expected to get drinks and use the restroom between classes. You must ask for permission to use the hall pass. The teacher reserves the right to exclude any students from using the hall pass if the privilege is being abused.

I have read the disclosure statement and will discuss it with my parent/guardian. I understand that I will earn points if this form is completed during the first week of class. As part of this class I am required to come prepared to class every day. I understand that I am expected to follow class rules and school rules and policies as outlined in the student handbook. Students are required to follow the acceptable use agreement for technology they received at registration and found in their student handbook. 504 Accommodations or IEP: "Davis School District is committed to providing educational and employment opportunities to students without regard to race, color, sex, religion, age, national origin or disability in accordance with Title VI of the Civil Rights Act of 1964, Title XI of the Educational Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and with the Americans with Disabilities Act." I also understand that I may come after school to make up class assignments as arranged with my teacher. If my parent/guardian or I have any problems or questions in regard to my grades, assignments, or classroom behavior, I understand that I may contact you by email at jecox@dsdmail.net
